

Berb-Evail®

400 mg Highly Bioavailable Berberine

ENDOCRINE/METABOLISM*

Berb-Evail® is a highly bioavailable formula featuring berberine from *Berberis aristata*. Berberine is a botanical extract that influences multiple pathways in blood sugar and lipid metabolism and supports normal insulin sensitivity.* It has a range of effects on cardiovascular health including the support of healthy vessels and a normal response to oxidative stress and inflammation.* Berberine may also support digestion and promote healthy microbial balance in the gastrointestinal tract.*

Designs for Health's proprietary Evail™ emulsification technology is designed to enhance the bioavailability and absorption of bioactive ingredients. The Evail™ process uses a quillaja extract, along with delta- and gamma-tocotrienols, and medium-chain triglycerides (MCTs) to support absorption. Each 1-softgel serving contains 400 mg of highly bioavailable berberine to help support healthy glucose metabolism, cardiovascular health, and healthy blood lipid metabolism.*

Benefits*

Supports the following:

- Healthy blood sugar metabolism
- Healthy lipid metabolism
- Cardiovascular health

Recommended Use

Take 1 softgel per day with a meal or as directed by your health-care practitioner.

Highlights

- 400 mg of berberine per softgel
- Formulated with the Evail™ emulsification technology that includes MCT and quillaja extract for enhanced bioavailability
- Contains non-GMO ingredients
- Gluten-free and dairy-free
