

Radiant

Hair, Skin, & Nails Formula*
Dark Chocolate Supplement

Fx Chocolate® Radiant is a unique combination of astaxanthin, bamboo, redcurrant, and blackcurrant extracts for healthy hair, skin, and nails.* This formula features MitoHeal®, a blend of redcurrants and blackcurrants in a clinically trialed 500 mg serving, along with 75 mg of bamboo shoot extract, and 2 mg of astaxanthin per serving to promote vibrant skin, hair, and nail health.* Combined with the beneficial compounds found in dark chocolate, the polyphenols in redcurrants and blackcurrants may help promote redox balance and antioxidant status in the body, further supporting overall health and wellness.* Polyphenols are organic compounds in plants that may help support antioxidant status in the body.*

Fx Chocolate® contains zero grams of sugar and is sweetened with allulose, a sweetening agent that is found in jackfruit, figs, and raisins, with no bitterness or unpleasant aftertaste. Allulose has a glycemic index of zero, meaning it does not impact blood sugar and is suitable for ketogenic and low-carbohydrate diets. The chocolate delivery system is a convenient and pleasant way to receive the benefits of nutrients, especially for individuals who have difficulty swallowing capsules or softgels.
