

# PerioBiotic™ Silver

Probiotic Toothpaste with Purified Silver and CoQ10

ORAL HEALTH

PerioBiotic™ Silver is a probiotic toothpaste with purified silver and coenzyme Q10 (CoQ10). It features Dental-Lac™, which is a *Lactobacillus paracasei* (*L. paracasei*) probiotic that has been shown in research to help support oral microbial balance. Similar to the role of probiotics in the gastrointestinal tract, beneficial bacteria of the mouth may help maintain dental and oral health.

PerioBiotic™ Silver also contains purified silver, which may support oral wellness. It also contains CoQ10, which may help support gum health.

This spearmint-flavored toothpaste contains no fluoride, sodium lauryl sulfate, or saccharin. It is also free of BPAs, parabens, synthetic colors, gluten, and synthetic sweeteners. Instead of using traditional harsh sulfates, this formula contains coco betaine, a coconut-sourced foaming and cleansing agent.

## Benefits

- Promotes oral microbial balance
- Supports healthy teeth
- Promotes gum health

## Recommended Use

Apply PerioBiotic™ Silver toothpaste onto a soft bristle toothbrush. Brush thoroughly after meals for at least 1 minute. Spit out the excess solution. For maximum benefits, do not rinse to allow for longer contact of the ingredients on the teeth and gums.

## Highlights

- Features Dental-Lac™, a probiotic that promotes oral microbial balance
- Purified silver may support oral wellness
- CoQ10 may support gum health
- Coco betaine sourced from coconuts instead of traditional sulfates for foaming and cleansing
- Does not contain fluoride, sodium lauryl sulfate, or saccharin
- Free from BPAs, parabens, synthetic colors, gluten, and synthetic sweeteners
- In two pleasant flavors, spearmint and lemon to help freshen breath
