**MICRONUTRIENT FORTIFIED** to provide essential vitamins and minerals. Balanced intake of micronutrients is essential for all physiological metabolic processes. UltraLean bars also contain chromium and vanadium to help support proper insulin activity and glucose control.\*

**LOW IN ALLERGENS** to be suitable for your patients. All BioGenesis UltraLean bars are free of gluten, soy protein, eggs, and wheat. Many of our bars are also free of dairy and corn, making it easy to find a suitable option for any of your patients.\*

Also available from BioGenesis:

**ULTRA LOW-CARB BARS:** Coconut Macadamia • Chocolate Mint • Chocolate Peanut Butter

A lower glycemic option for patients following a carbohydrate-controlled diet. BioGenesis Ultra Low-Carb Bars are sweetened naturally with agave and sugar alcohols and provide an excellent source of protein and healthy fats.\*

**DIABETONE GLUCO-SUPPORT BAR:** Chocolate-Covered Peanut Butter

A great-tasting snack option for individuals concerned with blood sugar control. It includes chromium, vanadium, and cinnamon as key nutrients to help support healthy glycemic activity.\*

**ULTRA HIGH PROTEIN BAR:** Chocolate-Covered Peanut Butter

Provides 25 grams of high quality protein from organic peanut butter and whey protein. This great-tasting snack is also fortified with essential vitamins and minerals to support a healthy metabolism.\*

**BIOFOCUS BAR:** Chocolate-Covered Peanut Butter

Healthy nutrition bar with specialty nutrients to support healthy brain activity. An excellent snack for kids or adults.\*

Contains tree nuts (almonds), and soy ingredients. Manufactured in a facility that processes other food products that may contain soy, tree nuts, peanuts, milk, egg, and/or wheat (gluten).

Ingredients: Almond butter, Fruitrim® (fruit juices, natural rice dextrins), brown rice syrup, organic brown rice crisps (organic brown rice, sea salt, organic brown rice syrup), rice protein concentrate, cocoa, rice bran, almonds, vanilla, soy lecithin, sea salt, natural flavor, calcium citrate, magnesium citrate, ascorbic acid, D-calcium pantothenate, vitamin E succinate, niacinamide, biotin, zinc citrate, pyridoxine, niacin, riboflavin, cyanocobalamin, manganese AAC, selenium AAC, chromium AAC, vitamin A palmitate, vitamin D3, folic acid, vanadyl sulfate.

# ULTRALEAN GLUCO-SUPPORT BARS

**CHOCOLATE • SPICE • CRISPY RICE • CHOCOLATE MINT  
 PEANUT BUTTER CRUNCH • MOCHA**

FUNCTIONAL FOOD BARS FOR WEIGHT LOSS & BLOOD SUGAR STABILITY\*

- Macronutrient balanced/micronutrient fortified healthy food nutrition bars
- Support healthy body composition, energy, and balanced blood sugar levels\*
- Free of hydrogenated oils and artificial ingredients
- Low in many common allergens

BioGenesis UltraLean Gluco-Support Bars are a functional and delicious option for any patient looking to support body composition, blood sugar control, and stable energy levels. While there are many nutrition bars out there, few are free of unhealthy additives such as hydrogenated oils, refined sugars, or artificial sweeteners while still providing an appetizing snack. BioGenesis UltraLean bars contain all natural ingredients and supply a balanced profile of healthy carbohydrates, fats, and protein.\*

**HIGH QUALITY PROTEIN** is essential for promoting healthy body composition and controlling appetite. UltraLean bars are formulated with whey protein OR rice protein concentrate to help your patients meet their protein needs.\*

**HEALTHY FAT** from nut butters help promote cellular health and prolong satiety.\* All UltraLean bars contain beneficial, unsaturated fats from almond butter OR peanut butter.

**CARBOHYDRATES** provide energy and are essential for fueling brain tissue. Controlling carbohydrate metabolism is an important component of managing blood sugar as well as appetite. BioGenesis UltraLean bars contain health-supporting carbohydrates to encourage balanced glycemic activity. All BioGenesis UltraLean bars contain at least two grams of dietary fiber to help prolong satiety and promote gastrointestinal health. Many are sweetened with low-glycemic sweeteners such as Fruitrim® and agave nectar.\*
