

+CAL+[®] with Ipriflavone

Comprehensive bone support formula with Ipriflavone[†]

INDICATIONS

- Ages 18 and up
- Healthy skeletal system support[†]

BENEFITS

- Designed to strengthen the skeletal system[†]
- Enhances calcium absorption and its incorporation into bone[†]
- Supports collagen, elastin and the formation of mineralized bone matrix[†]
- Maintains healthy osteoclast activity[†]

FEATURES

- Broad-spectrum combination of minerals and vitamins
- Contains 400mg of calcium
- Made with high-quality vegetarian ingredients backed by verifiable science

VERIFIABLE SCIENCE

This broad-spectrum combination of minerals, vitamins and herbs is formulated to aid in the formation and strengthening of the skeletal system. It provides a highly bioavailable form of calcium, a mineral essential not only for the maintenance of the functional integrity of the nervous, muscular and skeletal systems, but also cell membrane and capillary impermeability.¹ This formula also provides substances that nutritionally support and enhance the absorption of calcium and the incorporation of calcium into bone. In addition, it provides nutrients essential to healthy bone structure and formation, the synthesis and strengthening of connective tissue in cartilage and bone, and the formation of elastin.² Ipriflavone, an advanced addition to this formula, is a synthetic derivative of naturally occurring isoflavones. It supports healthy bone maintenance by promoting secretion of the hormone calcitonin and maintaining healthy osteoclast activity.³ Ipriflavone also supports type I collagen and the formation of mineralized bone matrix.⁴ Vitamin K enhances bone formation by carboxylating osteocalcin. This enables osteocalcin to bind to calcium and promote healthy bone mineralization.⁵ Furthermore, +CAL+[®] is enhanced with 10.7 mcg (428 IU) of vitamin D₃ for bone health.^{6†}

SUGGESTED USE

As a dietary supplement, take 3 capsules, 1-2 times daily, with meals.

STORAGE

Store in a cool, dry place.

WARNING

Not to be taken by pregnant or lactating women. Vitamin K may be contraindicated with Coumadin (Warfarin). If you have any health condition or are taking any medication, particularly blood-thinning medication, consult your health professional before use.

SOURCE

- Calcium, magnesium, manganese, zinc, copper and boron are derived from earthen ore
- Citrate/malate, glycinate and aspartate are synthetic
- Vitamin D₃ is derived from lanolin.
- Ipriflavone and vitamin K₁ are synthetically derived
- Ascorbyl palmitate is derived from corn dextrose fermentation and palm oil

NOTES

Size 00 caps

Bottle count 210, 350

Order codes CP2, CP3

Bottle size 20 oz, 26 oz

+CAL+[®] with Ipriflavone

Comprehensive bone support formula with Ipriflavone[†]

SUPPLEMENT FACTS

3 capsules, 1-2 times daily, with meals.

Three (size 00) vegetarian capsules contain:

| | |
|--|-------------------|
| Vitamin D (as cholecalciferol) (D ₃) | 10.7 mcg (428 IU) |
| Vitamin K (as vitamin K ₁) | 184 mcg |
| Calcium (as calcium citrate/malate) | 400 mg |
| Magnesium (as magnesium aspartate) | 49 mg |
| Zinc (as zinc picolinate) | 12 mg |
| Copper (as copper glycinate) | 1 mg |
| Manganese (as manganese aspartate) | 2.1 mg |
| Vitamin K ₂ (as menaquinone-7) | 30 mcg |
| Boron (as boron glycinate) | 0.85 mg |
| Ipriflavone | 214 mg |
| Silica (from bamboo) | 9 mg |

Other ingredients: vegetarian capsule (cellulose, water), ascorbyl palmitate

Not to be taken by pregnant or lactating women. Vitamin K may be contraindicated with Coumadin (Warfarin). If you are taking blood thinning medication, consult your health professional before use.
