

Ginger extract

Supports digestive, musculoskeletal and cardiovascular health[†]

INDICATIONS

- Ages 18 and up
- Digestion and cardiovascular health support[†]

BENEFITS

- Supports digestive health[†]
- Promotes cardiovascular health[†]

FEATURES

- Made with high-quality vegan ingredients backed by verifiable science

VERIFIABLE SCIENCE

Ginger helps to stimulate digestive enzymes and the production and secretion of bile from the liver and gallbladder.¹ More recent evidence shows that ginger's volatile oil components (gingerols and shogaols) modulate intestinal serotonin receptors that regulate motility and secretions.² Ginger also maintains healthy eicosanoid balance in the GI tract, joints and the cardiovascular system.^{3,4} It supports cardiovascular health by moderating leukotriene and thromboxane production and by supporting healthy platelet function.^{4†}

SUGGESTED USE

As a dietary supplement, take 1 capsule, 1-4 times daily, between meals.

STORAGE

Store in a cool, dry place.

WARNING

If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use.

SOURCE

- Ginger extract is derived from *Zingiber officinale* root and standardized to contain 5% gingerols by means of supercritical CO₂ extraction
- Hypo-allergenic plant fiber is derived from pine cellulose

NOTES

Size 00 caps

Bottle count 120

Order code GI1

Bottle size 290 cc
