

Liposomal Vitamin C liquid

Enhanced-absorption liposomal vitamin C to support cellular function, antioxidant defenses, and immune health[‡]

NEW

Allergen-Free

Liposomal Vitamin C liquid offers vitamin C in an enhanced-absorption liposomal form to target immune and cellular health. Your patients get all the benefits of this essential vitamin in a pleasant-tasting, citrus-flavored liquid that provides 1,000 mg of vitamin C per serving.[‡]

- ✓ Protects from free radicals to support tissue health and the body's defense system[‡]
- ✓ Utilizes soy-free, non-GMO sunflower liposomes to help protect the vitamin C
- ✓ Promotes healthy mast cell function and lymphocyte formation[‡]

Enhanced Liposomal Vitamin C liquid support your patients' **cellular health** and **function**.[‡]

Enhanced liposomal liquid delivery system for optimal benefits

The digestive process can compromise efforts to achieve beneficial vitamin C levels from supplementation. This advanced liposomal form helps protect the vitamin C bonds from degradation that can occur in digestion.

- Delivery system utilizes phosphatidylcholine from non-GMO sunflower oil and tight manufacturing control
- Controlled processing procedure results in very small, highly stable, spherical liposomes
- Small liposomes allow for increased diffusion across mucus membranes and better absorption from the GI tract and into cells
