

# Q-Gel® 100 (Hydrosoluble™ CoQ<sub>10</sub>)

Enhanced-solubility CoQ<sub>10</sub> with vitamin E; supports cardiovascular and neurocognitive health<sup>†</sup>

## INDICATIONS

- Ages 18 and up
- Cardiovascular health support<sup>†</sup>
- Cognitive support<sup>†</sup>

## BENEFITS

- Promotes optimal CoQ<sub>10</sub> absorption<sup>†</sup>
- Provides cardiovascular and cognitive support<sup>†</sup>
- Supports cellular health<sup>†</sup>

## FEATURES

- Enhanced-solubility Q-Gel® CoQ<sub>10</sub> with vitamin E
- Best when taken with a meal

## VERIFIABLE SCIENCE

CoQ<sub>10</sub> is a core component of cellular energy production and respiration, shuttling electrons down the electron transport chain to produce the key energy-rich molecule adenosine triphosphate (ATP). As such, it provides energy support to the cells of the body and is especially supportive of tissues that require a lot of energy, such as the heart muscle. It also acts as an antioxidant, providing cellular protection from free radicals.<sup>1,2†</sup>

## SUGGESTED USE

As a dietary supplement, take 1 capsule, 1-2 times daily, with a meal.

## STORAGE

Store in a cool, dry place.

## WARNING

If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use.

## SOURCE

- CoQ<sub>10</sub> is produced by microbial (yeast) fermentation. There is no residual yeast in the final product
- Vitamin E is derived from soy
- Sorbitol is derived from corn
- Polysorbate 80 is synthetic

- Lecithin is derived from soy
- Medium chain triglycerides are derived from palm oil

## NOTES

Size 22 softgel

Bottle count 60

Order code QG16

Bottle size 190 cc
